Description

The Focus Power 36 is a stylish, high-performance motor yacht, built to cater for the mixed recreation of the modern powerboater. Designed by acclaimed naval architect, Tony Castro, it features a range of living and entertaining zones for the ultimate combination of feel-good summer sport and practical long-distance cruising.

EXTERIOR

With its raked hull windows, swept screen and colour-matched hardtop, the FP36 delivers an unforgettable on-water profile. Hand built and highly customizable, its potency of form is mirrored by a reinforced deep-V hull for best-in-class seakeeping and industry-defining 50-knot performance.

COCKPIT

The versatile cockpit is keenly optimized for open-air recreation. In addition to a forward sunbed and secure walkaround side decks, it features a port galley, a six-person dining station, a two-metre sun lounger, an aft 'Beach' and a large canvas sunroof for socializing under the sun.

INTERIOR

The interior layout is ideal for weekends away, extended cruises or even commercial charter. While the private double cabins are split by a spacious central lounge, the use of expansive glazing panels and highly bespoke finishes lends the entire living space a bright 'waterfront apartment' feel.

Focus Power 36 Custom Edition

With its jet-black hull and topsides, contrasting with teak decks and custom steelwork, this custom edition of the FP36 is unquestionably a beautiful boat and the fit-out is also first-class. Both the lower deck spaces and the cockpit seating are lined with Italian leather and all the equipment is sourced from the world's most exclusive brands.

Technical Data

- Overall length: 11,00 m
 - Hull length: 10,67 m
 - Beam: 3,49 m
 - Dry weight: 6,4 t
 - Fuel capacity: 550 l
 - Fresh water capacity: 140 l
 - Passengers: 10
 - Cabins: 2 + saloon
 - Number of berths: 4 + 2 in cockpit
 - Bathroom: 1
 - Design: Tony Castro
 - Declaration of Conformity: CE
 - Design Category: B
 - IMCI certification
-
- Hardtop with openable sliding roof
 - 700 W electric windlass with windlass handle
 - 10 kg Bruce anchor with 30 m/8 mm chain
 - Bow roller
 - 2 bow, 2 spring and 2 stern stainless steel cleats
 - Stainless steel pulpit
 - 2 stainless steel sun bed handrails
 - 1 deck hatch (opening)
 - 8 opening portlights
 - Stainless steel hardtop handrails
 - Windscreen with glass front and sides
 - Windshield wiper with spray nozzle
 - 2 stainless steel fuel filler caps (port/stbd)

- Water filler cap
- Fuel tank air vents (2) with anti-flame and anti-spray net
- Water tank vent
- Open bow guardrail
- Stainless steel rub rail

Transom

- Foldaway swimming ladder
- Shower with mixer tap
- 35 A / 230 V shore power socket with shore power cable
- Fuel tank air vents (2) with anti-flame and anti-spray net
- Water tank vent
- Open bow guardrail
- Stainless steel rub rail

Cockpit

- Self-draining cockpit
- Stainless steel mast
- Navigation lights
- Horn
- Cockpit galley with sink, mixer tap and Kerrock top surface
- Pilot and co-pilot's settee
- 3 kg gas bottle in compartment
- Adjustable GRP table
- 6 stainless steel cockpit handrails
- Storage lockers
- Transom entrance door from stern platform
- Fire extinguishers
- Storage compartments beneath seating

Helm position

- Dashboard
- Steering with steering wheel
- Complete engine instrumentation: oil pressure and water, temperature gauges, voltmeters, hour-counter, revs. counter, power-trim control and indicators
- Fuel level gauge
- Compass
- Horn control
- Navigation and mooring lights control
- Anchor-windlass control
- Screen wiper control
- Engine hatch control
- Navigatorium with plexiglas cover
- Driver's foldable step

Salon and galley

- Plexiglas sliding access door to saloon
- Dinette seating with table
- 230 V power sockets
- Main switch panel with water level gauge
- Illumination
- Galley unit with Kerrock top
- Hob with two gas burners
- Stainless steel sink with mixer tap
- 45 l refrigerator, 12 V
- Portlight Venetian blinds
- Cupboards and storage space for tableware

Master Cabin

- Double bed with foam mattress
- Drawers and wardrobe
- Reading lights and LED spotlights

- 230 V power socket
- Curtains

Aft Cabin

- Double bed with foam mattress
- Storage lockers and wardrobes
- Reading lights and LED spotlights
- 230 V power socket
- Curtains

Bathroom

- Electric marine WC with outlet safety valves
- Sink with mixer tap / shower
- Kerrock top surface
- Cupboards
- 230 V power socket
- Automatic shower water discharge system
- LED spotlights

Electric system

- 12 V electric system
- 2 x 140 Ah service batteries
- 2 x 120 Ah engine start batteries
- Electric panel magneto-thermal protected
- 32 A / 230 V stern socket with cable
- Automatic 30 A battery charger
- Power sockets
- Windlass protection magneto-thermal switch
- Battery switches
- Emergency battery coupling system
- Galvanic isolator
- Preparation for bow thruster

Fuel system & Bilge pumps

- 2 x 250 l capacity connected fuel tanks
- Fuel filters and water separators
- Bilge drainage by 2 electric 120 l/min bilge pumps
- 1 x manual bilge pump

Water system

- Water tank 140 l capacity non-toxic alimentary polyethylene with water pressure pump
- Hot water electric boiler 20 l / 230 V

General information

Make:	Focus
Model:	Power 36
