Highfield CL 380 aluminium RIB with Valmex PVC tubes. Morgan Marine are a UK dealer for Highfield Boats, the world's number one aluminium hulled RIB manufacturer. This CL 380 is perfect for family days out and adventures on the water, easy to beach launch or just as happy being a tender! The Highfield Classic tender range provides good weight savings over equivalent GRP tenders - giving impressive performance with smaller engines. With the tough, non-porous qualities of the powder coated aluminium hull, there's no need to worry about getting gelcoat chips, or putting your boat on a beach or a trailer. All Highfield tenders are easy to tow, easy to launch and easy to recover. Complete with dry bag, foot pump, paddles and repair kit.

Various colour options available. Please note images shown may not match exact specification listed here.

Deck: PVC tubes 44cm diameter. Self-draining deck. Welded seams. Flush mount non return valves. High tensile chromated & powder coated aluminium hull. Bow locker (Fit 24L fuel tank). Integrated transom supports. Removable seat. Lifting points and towing eyes. Tow bridle points. Brushed foam teak finish deck. Heavy duty rubbing strake and full length keel guard.

Cockpit: Optional Equipment if required: FCT8 steering system, carbon dash for FCT8 console, FRP bow step, moulded bow cleat, transom storage box, bimini, extra seat, bow cushion and boat cover.

Trailer: Trailer not included in price. Morgan Marine can supply a suitable road trailer or trolley - please contact us for options.
