Description

EN

2020 Mariner 2.5hp Outboard 4 Stroke with tiller engine control and low running hours just in at Morgan Marine. The most recent entries in the Mariner lightweight division is the 2.5hp which carry on the tradition of offering big motor features with small motor economy. Lightweight yet durable materials make this engine easier than ever to handle while water-cooling with thermostatic control provides for dependable, reliable operation. Ease of use is ensured thanks to features such as a twist-grip throttle on the tiller and a manual choke which makes cold starting a breeze. Add the largest displacement powerhead in the class and you've got the complete solution to reliable and dependable family boating.
