Available in Store: Sarasota - HIN: NIBX0169I425

Nimbus Tender 9

Twin Mercury 225s

The Nimbus T9 is a nine-meter day boat that offers great opportunities for individual adaption and is intended for all types of day-to-day activities, such as transportation, water sports and leisure activities.

The T9 is equipped with twin Mercury FourStroke V6 225 outboard engines. The aft deck u-sofa with seating for 5 easily converts to a sunbed. The boat is available with the optional T-top design. The helm features twin 12″ chart plotters. The foredeck features a large loading hatch with access to the cabin.

One smart way to make the most of the aft deck area is spare railing cushions that can be placed on the railing, offering both extra seating and a cozier atmosphere. Below deck is a large berth for two with integrated ventilation, ample stowage and separate head with sink.

***Please note, stock images are used. Some features depicted may not be included.**
