Description

Available in Store: Pensacola - HIN: NIBX0179C526

Nimbus Tender 9

The Nimbus T9 is a nine-meter day boat that offers great opportunities for individual adaption and is intended for all types of day-to-day activities, such as transportation, water sports and leisure activities.

The T9 is equipped with single or twin Mercury outboard engines. The aft deck u-sofa with seating for 5 easily converts to a sunbed. There is an option for a wet bar with a hand basin and portable Weber LPG grill behind the helm seat. The module also functions as support while on the water or in port. The boat is available with three different canopy solutions – harbor cover, spray hood, or as a T-top design. The helm can be equipped with single 9", 12", 16", or twin 12" chart plotters. The foredeck features a large loading hatch with access to the cabin as well as an optional daybed which creates an extra seating area that seats 4 people with a table or extended sunbed. One smart way to make the most of the aft deck area is spare railing cushions that can be placed on the railing, offering both extra seating and a cozier atmosphere. Below deck is a large berth for two with integrated ventilation, ample stowage and separate head with sink.

Engine 1

- Mercury
- V8
- 250.00 HP
- 186.43 KW
