## 2024 Northstar Axis 3.1

The Northstar Axis 3.1 is a durable inflatable tender and is the smallest offered in the Axis range. At just over 10 feet, the Axis 3.1 is loaded with standard features, setting it apart from the competition. Its Delta Lift hull design and integrated Delta tabs deliver a smooth, dry ride.

Its impressive standard features include a replaceable transom for short or long shaft motors, hydraulic steering, an ergonomic console, an acrylic glove box with a USB charging port and cut-off switch, a bow step, pull-up cleats, a self-bailing deck, large storage areas, and sturdy Hypalon tubes

Its integrated electrical system includes a switch panel, LED navigation lights, an all-around socket type light, and an automatic bilge pump. Its integrated fuel system includes a fuel tank, a fuel gauge and a fuel/water separator. All upholstery is fabricated in marine grade material and includes a helm bench, a port-side seat, and a bow seat.

**We're proud to showcase Northstar Boats at our Fort Lauderdale showroom.**
