### 2025 Vision Marine Technologies V24 Electric Pontoon

The V24 Electric Pontoon is a 100% electric luxury boat built for smooth, powerful, and sustainable cruising. Powered by the E-Motion™ 180E electric outboard delivering 180 HP, it offers instant torque, almost noiseless operation, and zero emissions. With a spacious layout for up to 12 passengers, it includes plush seating, a ski tow bar, Bluetooth battery monitoring, and a sleek smart display. Enjoy a cruising range of 40 to 90 nautical miles\* with single or dual battery options. Charging is easy—just plug in at any standard dock or trailer outlet using 120V or 240V (30-50 AMP) shore power. Ideal for spending quality time with family and friends or exploring your favorite waterways, the V24 is built to elevate your on-water experience.
